

PROOFS: (by E-mail or by fax)

You received your proof by E-mail:

- You can communicate the changes in the proofs by hitting the Reply-button and return us the E-mail completed with your modifications.
- You can approve of the proofs by hitting the Reply-button and return the E-mail to us with the text "Proofs approved".

You received your proof by fax:

- You can communicate the changes in the proofs by returning us the fax with your modifications written on it.
- You can approve of the proofs by returning the fax after writing the text "Proofs approved" on it.

If we have to make a new proof because you request to change the data supplied to us earlier or because you want to receive a graphic proof (edited image), an amount of € 12,50 will be invoiced.

CHECK THE PROOFS CAREFULLY:

Besides your print, the proof contains all relevant data from your order form such as the requested sizes and colours of the menu covers, printing colour(s), etc. Check everything carefully. Your order will be executed according to the specifics of the proof you approved of.

We draw your attention to the fact that the delivery time only starts at the moment the proof is approved by you. A late approval can have serious consequences on the delivery time!
